

Give Kids Safe Shelter, Inc.

“Be An Angel” Program

Give Kids Safe Shelter, a 501(c)(3) organization dedicated to helping children in Osceola County, has as its goal this holiday season to secure gifts for the abused, neglected, or at-risk children helped by the six agencies under our umbrella. Please support GKSS’s “Be An Angel” Program.

How to Participate:

You can either drop off any new, unwrapped toy, child’s clothing item or other gift at one of our drop-off locations. Visit the Give Kids Safe Shelter website <http://www.GiveKidsSafeShelter.org> for gift suggestions and our ever growing list of drop-off locations.

or

You can buy a gift for a specific child. Email Valerie Sewell at vsewell@hansonwalter.com and she can select a card for you from our “Be An Angel” tree and provide you with the details about the child, including name, clothing sizes and his/her interests or wish list.

If buying for a specific child, you may wrap the gift if you wish, but it is not necessary. Whether wrapped or not, if buying for a specific child, please label with the child’s name and supporting agency (provided to you when a card is selected from our tree).

If you want to include a card with words of encouragement, please do so, but again it is not necessary.

Please drop off your gift(s) as early as possible, but by Monday, December 12th at the latest.

Thank You
